ENTERTAINMENT WITH HORSEPOWER!

Gloucester Park is a unique and versatile entertainment venue right in the heart of Perth.

The Western Australian Trotting Association was formed on the 22nd September 1910 and Gloucester Park quickly became the home of harness racing in Western Australia. Located on the banks of the Swan River in the exclusive precinct of East Perth, its close proximity to the Perth CBD, catering packages and free on-site parking, it has all the makings of the ideal venue for your next function or event.

Friday nights, the best horses in WA hit the track for a share in some of the richest metropolitan stake money in Australasia. Gloucester Park is also home to some of Perth's most unique dining options from Steelo's, to the Beau Rivage Restaurant, offering a perfect view of both the track and the Swan River.

When talking about harness racing in Western Australia, the history and stories Gloucester Park encapsulates will evoke a trip down memory lane, punctuated with legends and champions. Many a wonderful horse have graced the track and nowhere else in Australia does this unique harness racing spirit present itself more than at Gloucester Park.

ABOUT US

Trotting began to be organised in Western Australia in 1910 with the formation of the Western Australian Trotting Association on the 22nd September of that year.

Gloucester Park, the home of harness racing in Western Australia, is located on the banks of the Swan River in the exclusive precinct of East Perth. The course was built in 1929 and completed at a cost of 200,000 pounds; an exceptional feat considering the completion was achieved during the Great Depression.

The course was officially opened by Perth's Lord Mayor J T Franklin on 15th March 1930. The feature events at that night's meeting were named after James Brennan and J P Stratton, who are fondly regarded as the Fathers of harness racing in Western Australia.

Notice Convening Annual General Meeting

NOTICE IS HEREBY GIVEN that the Annual General Meeting of Members will be held in Beau Don Members Room at 6.30 pm on Wednesday 25th October 2023.

BUSINESS

1. Confirmation of minutes of the previous Annual General Meeting held on 26th October 2022
2. Reception of the President's report presented on behalf of the Committee
3. Reception and discussion of the 2022/23 Annual Accounts
4. Election of Committee (for the period 2023/24 – 2025/26 inclusive) - declaration by Chairman

Nominations for Committee received from...

Kevin Dinnigan; Maurice Grubisa; John Jones; Lisa Hando; Garry Scott and Susan Sharp.

5. General Business

PRESIDENT'S REPORT

It gives me great pleasure to report to you on the 2022/23 financial year.

FINANCES

GPHR made a net profit before depreciation and excluding grants of \$161,053. This would have been much higher except for legal fees which amounted to approximately \$191,000, which will be discussed below.

In a positive sign, hospitality revenue was 6% higher than the 2021/22 financial year. Hospitality gross profit was 6% higher than last year, while our hospitality net profit was 3.67% higher than the 2021/22 financial year. This is in a year when general spending was decreasing.

Due to inflation, which is affecting all businesses and households, expenses increased. Hospitality cost of goods increased 3%, while we saw a 13% increase on other expenses in the 2021/22 financial year, which would have been 7% without the legal fees.

We also maintain a strong bank account.

This has been a good result, considering the continued pressure from inflation in 2023, which has seen interest rates increase dramatically to slow the overall economy and a decrease discretionary spending.

COURT CASE

After an extensive four-day trial regarding the validity of the referendum conducted in 2022 to approve the revitalisation plans bought by one member, Duro Margaretic, Justice Kenneth Martin ruled comprehensively in favour of GPHR.

Justice Martin ruled "all aspects of the plaintiff's case, in the end, fail", stating about the integrity of the referendum "there is not the slightest hint of there being any electoral voter misconduct or fraud from any quarter - by reason of an actual misuse of the electronic voting system being proved, during the running of the 2022 Referendum."

"The voting quorum margin, and then, the majority vote margin required via By-laws 3.7(1)(a) and (b), were affirmative margins on both that were significant in each instance. First, there was a 75% voting quorum (281 votes received from 373 eligible voting members). Second, there was a more than 50% affirmative result with 235 'Yes' votes. That was a 63% affirmative vote."

Justice Martin's final conclusion was "First, the plaintiff's action must be dismissed. Second, prima facie, he must then be responsible for the defendant's taxed costs of the action and so for the costs of what turned out to be a four-day trial."

Due to the comprehensive decision in our favour, costs were awarded to GPHR and the Registrar has provisionally assessed the costs at \$131,856.19. We are hopeful of retrieving the costs submitted.

Unfortunately, the costs submitted are not all the costs that GPHR has incurred due to the legal action, rather what we are allowed to claim. It has also taken a lot of time and energy. Many hours of preparing for the trial as well as dealing with a voluminous number of e-mails, some that attacked GPHR personnel and questioned our integrity.

Justice Martin noted regarding the GPHR staff and returning officer "I would assess that the defendant, particularly through its employees and agents, namely its CEO, Mr. Radley, and its Returning Officer, Mr. Rickie, and Mr. Radley's assistant, Ms. Swallow, at all times acted honestly and in good faith."

E-mails sent directly to Greg Rickie by Mr. Margaretic, which copied both the Committee and Michael Radley, threaten him with legal action and having to pay costs himself. Mr. Rickie conducted the referendum legally and is above reproach with Justice Martin singling out Mr. Rickie saying "I assessed the evidence of Mr. Rickie to be wholly reliable. In particular, Mr. Rickie presented at trial as someone who has held considerable past experience whilst acting as a returning officer, both for the defendant and in other electoral contexts."

I would personally like to thank Mr. Rickie for his continued professionalism and despite the toll that the case has taken on him personally, he continues to be the GPHR returning officer, which is a duty he performs with the highest integrity.

The Committee and Management are committed to ensuring that the resolution of the Membership be carried out and not be hijacked by a few that are unhappy with the result.

FEATURE RACES

The inaugural TABtouch Nullarbor slot race worth \$1 million was conducted in April this year and while poor weather limited the crowd, the new event was highly successful. The Nullarbor was the sixth highest turnover race in WA harness racing history.

To build on the success of the inaugural running, RWWA has raised the prizemoney of all the Western Trilogy races, with the Nullarbor increasing to \$1.25 million.

Along with the introduction of the Nullarbor, we are now in the second year of the change of racing season to the calendar year. The change to the calendar year was specifically to maximise wagering on feature races and it has already produced improved wagering performances for our feature race such as the Western Gateway.

After reviewing the wagering performance of the feature races, the decision was made to separate the WA and Fremantle Pacing Cups.

To take the advantage of interstate horses coming over on the Western Trilogy flight, it was decided to move the Retravision Fremantle Cup to the week after the Nullarbor. This will make it more attractive for horses to travel to WA and also, we get to have them race more than once. The wagering figures suggest that betting increases with interstate horses as almost 90% of wagering on WA harness racing is from the east coast.

Rather than have the TABtouch WA Pacing Cup by itself in January, a poor wagering time as it is after Christmas and New Year where there is less spending in the economy in general, the WA Pacing Cup has been moved to the 10 November 2023, with the \$100,000 James Brennan Memorial and the \$100,000 JP Stratton Cup as lead-in races.

October and November are clearly the best time of the year for wagering, and this will maximise the return for the industry from our most prestigious race. Racing Queensland have also made the James Brennan Memorial as a 'Golden Ticket' into the Inter Dominion, partly due to its timing. It is also apt that

a race named after one of the 'fathers of the Inter Dominion' being honoured in such a way.

CODE WAGERING

Wagering is exclusively how RWWA derive's their income and what funds are able to be distributed to the entire WA racing industry. After the large increases during COVID, wagering has normalised and is in a downturn. This season wagering for all racing codes has decreased, especially since the start of 2023. This makes maximising the feature race calendar even more crucial.

Due to the downturn, Harness Racing Victoria has recently announced a \$3.9 million decrease to their stakes distribution as well as other cost saving measures.

WA harness racing received a 3% increase for this season, including the introduction of new races such as a new four-year-old Westbred feature. This is the last of the guaranteed distribution increase for the code.

There is pressure from the other two codes over our market share, which needs to be increased. As previously stated, Gloucester Park is crucial in achieving a higher market share as the major driver of wagering in WA, creating over half the industry revenue from just over a third of WA harness meetings.

RWWA

I would like to thank RWWA Chair Karen Farley SC and CEO Ian Edwards for their continued support of Gloucester Park.

RWWA are our partners in racing and after an independent review approved the \$24.7 million funding for racing infrastructure as part of the revitalisation project.

RWWA has appointed Cameron Brown as the Head of Harness Racing & Special Projects. Cameron is originally from WA and is an accountant by trade, his previous role was Head of Finance & Strategy at Harness Racing Australia, being instrumental in the National Ratings System as well as the national feature race calendar and the new group racing guidelines.

ACROD CAR BAYS

From the start of October, the GPHR Committee has made available 10 additional permanent ACROD car bays on the ground floor. Previously we were only able to offer four, however, due to the Caduceus Club change in structure, we will be better able to utilise the car park bays.

ACROD stickers must be shown to use the bays and it will be first come, first serve, as the initial four bays, with the drop off still available if all the bays are occupied.

STAFF

I would like to thank the GPHR staff for their continued support and hard work. During a time when it is extremely hard to find and retain good staff, Gloucester Park has been very fortunate. We have a stable complement of staff and an excellent management team under the leadership of Chief Executive Michael Radley, including Finance Manager David Siroen, Operations Manager Daniel Batson, and Executive Assistant Yvonne Levingston. The Committee and I are very grateful and would like to pay tribute to them all.

After 30 years' service at Gloucester Park Harness Racing, working initially for former CEO Robert Bovell, and for the past eleven years for current CEO Michael Radley, Patricia Swallow has decided to retire. Patricia joined the WATA in June 1993, after emigrating from England.

Patricia was recognised by RWWA in 2020 for her long and dedicated career at Gloucester Park, becoming joint winner of the RWWA inaugural Administration Award, alongside Julie Dobie, former General Manager of the Bunbury Trotting Club. Both winners were recognised for their exceptional skills, positive attitude and achievements that had added value to their respective clubs, and the wider industry.

Yvonne Levingston has the job of filling the big shoes left by Patricia, and comes with great credentials, and we are sure she will make a great addition to Gloucester Park.

COMMITTEE

Kevin Jeavons has decided not to re-nominate and retire from the GPHR Committee. Kevin will be a great loss to the Committee as he has a wealth of knowledge in both harness racing and in business.

Kevin joined the Fremantle Trotting Club Committee in 2003 and was part of the amalgamation with the WATA in 2011, at which time Kevin secured his position on the Gloucester Park Committee, holding positions as Junior Vice President for three years and then Senior Vice President for the past nine years.

Kevin also sat on several subcommittee groups throughout the years, including RWWA's Harness Racing Consultative Group, as well as being an inaugural Committee Member of the Harness Racing Owners Association of WA (HROAWA). In one of the most crucial times in for the entire WA Racing industry Kevin was appointed as the Harness Racing representative on the Western Australian Racing Representative Group (WARRG) endeavouring to protect the interests of the racing industry and commissioning two independent reports to Government into the ramifications of a potential sale of the WA TAB.

I would like to thank Kevin for his support and commitment to Gloucester Park and the WA harness racing industry as a whole and no doubt we will still see him on track most Friday nights with his wife Robyn.

I would also like to thank Lisa Hando, who was appointed to the Committee this year and has been a great assistance to the association in her short time in the role. Lisa is finishing a law degree, which came in handy at the four-day trial as Lisa was able to offer assistance to our lawyer and barrister, especially around the Corporations Act section of the case.

PROMOTIONS AND MARKETING

Sponsors
GPHR wishes to thank the following sponsors for supporting Gloucester Park during the 2022/23 season:

- Aaron Bain Racing & Summit Bloodstock
- Australian Pacing Gold
- Barbagallo
- Caduceus Club of WA

- Catalano Truck & Equipment
- Channel 7 / The West Australian
- Cowden Insurance Brokers
- Direct Trades Supply
- Garrard's Horse & Hound
- Hoist Torque Australia
- Nova
- Retravision
- Sky Channel (TABcorp)
- TABtouch / RWWA
- The Running Camel & Team Bond
- Vili's Family Bakery (Ora Foods)
- Westral
- Westside Auto Wholesale

MEMBERSHIP

During the 2022/23 season Members - Beth RICHARDSON (Life Member); Alf DA RE (Life Member); Russell STRANGER (Pensioner Member); Robert HOBBS (Pensioner Member); and Kenneth BALL (Pensioner Member) passed away.

Our sincere condolences to the families and friends of those Members on their sad passing.

CONCLUSION

In conclusion after a tumultuous year that included negotiations with Hesperia, a Referendum, a Special Meeting and a laborious Court Case, the true worth of our Chief Executive Michael Radley has shown through. I would like to thank Michael for his continued support and guidance of the Committee and myself through this laborious year.

I wish to also thank my fellow Committee members for their continued support during yet another challenging period. The Committee and staff will continue to work hard to ensure the successful future of Gloucester Park and we wish the membership an exciting and enjoyable season ahead. The Committee and staff will continue to work hard to ensure the successful future of Gloucester Park and we wish the membership an exciting and enjoyable season

JOHN BURT
PRESIDENT

RACING HIGHLIGHTS

SEPTEMBER 2022

- \$100,000 TABtouch 3YO C&G Westbred Classic -Tricky Miki taking the win for trainer Justin Prentice and driver Gary Hall Jnr
- \$100,000 TABtouch 3YO Fillies Westbred Classic -Wonderful To Fly won the race for trainer-driver Shane Young
- \$215,000 Allwood Stud Farm 2YO Fillies Westbred Classic -Zephyra took out the race for trainer-driver Dylan Egerton-Green
- \$215,000 Allwood Stud Farm 2YO C&G Westbred Classic -Never Ending beat all contenders for trainer Justin Prentice and driver Gary Hall Jnr
- \$150,000 Channel Seven Perth 2YO Golden Slipper - the in-form Never Ending won the Slipper for trainer Justin Prentice and driver Gary Hall Jnr

October 2022

- \$150,000 The Trots WA Oaks -Taking The Miki beat Little Darling by a half head for trainer Ross Olivieri and driver Chris Voak. Ross announced his retirement following the win

November 2022

- \$200,000 Sky Racing WA Derby - Tricky Miki won the Derby for trainer Justin Prentice and driver Gary Hall Jnr
- \$100,000 Barbagallo Norms Daughter Classic - Eighteen Carat beat Fifty-Five Reborn by a head for trainer Michael Young and driver Gary Hall Jnr
- \$100,000 Barbagallo James Brennan Memorial - An in-form Magnificent Storm beat all competition to win the race for trainer Ray Williams and driver Aldo Cortopassi
- \$150,000 Westral Mares Classic - Trained by Ryan Bell and driven by Kyle Symington, Miss Limelight shone as she won the race, giving Kyle his first G1 winner

December 2022

- \$125,000 Nova 93.7 4YO Classic - There was no stopping Pinny Tiger as driver Trent Wheeler steered him to victory for trainer Michael Brennan and his owners
- \$200,000 Retravisión Golden Nugget - Himself was the winner of the G1 Golden Nugget for Team Bond and driver Dylan Egerton-Green, breaking the race and track record in the process

RACING HIGHLIGHTS

January 2023

- \$100,000 J Stratton Cup - Diego proved unbeatable for trainer Gary Hall Snr and driver Maddison Brown, much to the delight of his breeder-owners Syd and Shona Brown who had flown over from New Zealand to watch him race.
- \$300,000 Retravisión Fremantle Cup - In an exciting finish, Mighty Ronaldo beat Minstrel by a head to win the Cup for trainer Justin Prentice and driver Emily Suvaljko, the first female to drive a Fremantle Cup winner!
- \$450,000 TABtouch WA Pacing Cup - Diego proved unbeatable, making this the thirteenth Pacing Cup win for trainer Gary Hall Snr and the ninth Pacing Cup win for driver Gary Hall Jnr. Unfortunately, Diego's usual driver Maddison Brown missed out on the drive due to a race fall two weeks' earlier

March 2023

- \$100,000 APG 2YO Fillies Sales Classic - Water Lou, driven by Gary Hall Jnr, was the winner for trainer Mike Reed
- \$100,000 APG 2YO Colts & Geldings Sales Classic - There was no stopping Waverider as he stormed home to victory for trainer Ryan Bell and driver Kyle Symington

April 2023

- \$1M Inaugural Nullarbor - Betterzipit took the win for trainer Justin Grimson and driver Cameron Hart, winning by a head from Spirit of St Louis

August 2023

- \$100,000 GPHR 2YO Fillies Diamond Classic (G2) MS Pace - Water Lou provided further proof she's the State's best two-year-old filly, trained by Kevin Keys and driven by Shannon Suvaljko
- \$100,000 Hoist Torque Australia 2YO Pearl Classic (G2) MS Pace - Menemsha took the win for trainer and driver Aiden De Campo

GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

1 CONTINUING EVENTS

The Committee is of the opinion that it is appropriate to prepare the accounts of Gloucester Park Harness Racing on the going concern basis.

2 ACCOUNTING POLICIES

The financial report is a general-purpose financial report, which has been prepared in accordance with the requirements of the applicable Australian Accounting Standards, Western Australian Trotting Association Act 1946 and other mandatory reporting requirements.

Accounting policies adopted in preparation of these accounts are consistent with those of the previous year.

Significant policies are as follows:

(a) Basis of Accounting

The accounts have been prepared on the basis of historical cost and except where stated do not take into account current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

Gloucester Park Harness Racing has not adopted a policy of revaluing its non-current assets on a regular basis. Non-current assets are revalued from time to time as considered appropriate by the Committee and are not stated at amounts in excess of their recoverable amounts.

The accounts have been prepared on an accrual basis with the following exceptions:

(i) Capital Grants are brought to account as income when received.

The financial report is presented in Australian dollars and all values are rounded to the nearest one dollar.

New or amended Accounting Standards and Interpretations adopted:

The association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the association.

(b) Statement of Compliance

The financial report complies with Australian Accounting Standards.

WESTERN AUSTRALIAN TROTTING ASSOCIATION TRADING AS
GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

(c) Revenue Recognition

Except as stated above revenue is recognised when the amount of revenue can be measured reliably and it is probable that it will be received.

(d) Inventory

Inventory is valued using the FIFO method and the end of month stocktake is revalued at the last replacement cost.

(e) Depreciation of property, plant and equipment

Property, plant and equipment, other than freehold land, are depreciated at rates calculated to allocate the cost or valuation less estimated residual value at the end of the useful lives of the assets, over their estimated useful lives using the diminishing value method. Depreciation rates used are as per the ATO guidelines. Profits and losses on disposal of property, plant and equipment are taken into account in determining the surplus for the year.

Impairment

The carrying values of plant and equipment are reviewed when events or changes in circumstances indicate the carrying value may not be recoverable. This will be declared when the impairment is realised.

(f) Investment Property

Investment properties principally comprise of freehold land and buildings held for long-term rental and capital appreciation that are not occupied by the association. Investment properties are initially recognised at cost and are subsequently depreciated at rates calculated to allocate the cost or valuation less estimated residual value at the end of the useful lives of the assets, over their estimated useful lives using the diminishing value method. Investment properties are derecognised when disposed of or when there is no future economic benefit expected. Transfers to and from investment properties to property, plant and equipment are determined by a change in use of owner-occupation. The carrying value on the date of change of use from investment properties to property, plant and equipment are used as deemed cost for the subsequent accounting. The existing carrying amount of property, plant and equipment is used for the subsequent accounting cost of investment properties on the date of change of use.

(g) Employee entitlements

Provisions are made for employee entitlement benefits accumulated as a result of employees rendering services up to the reporting date. These benefits include wages and salaries, superannuation, payroll tax, annual leave and long service leave. All employee entitlements are measured at their nominal amounts.

Employee entitlement expenses and revenues arising in respect of wages and salaries, non-monetary benefits, annual leave, long service leave, and other entitlements are charged against the surplus of their respective categories.

(h) Cash flows

For the purpose of the statement of cash flows, cash includes cash on hand, deposits held at call with banks and investments in money market instruments, net of bank overdrafts.

(i) Comparative figures

Where necessary, comparative figures have been adjusted to conform with changes in presentation in the current year.

(j) Income Tax

Gloucester Park Harness Racing is exempt from paying income tax under the Income Tax Assessment Act 1997.

WESTERN AUSTRALIAN TROTTING ASSOCIATION TRADING AS
GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

(k) Financial risk management and policies

Gloucester Park Harness Racing's principal financial instruments comprise cash, trade debtors, bank deposits, bills of exchange, bank loans, trade creditors and overdrafts.

Trade debtors are initially recognised at fair value and subsequently measured at amortised cost, less any allowance for expected credit losses.

The association has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance.

Gloucester Park Harness Racing manages its exposure to key financial risks, including interest rates and the provision of credit in accordance with its financial risk policy, the objective of which is to protect financial security.

Ageing analysis and monitoring of specific credit allowances are undertaken to manage credit risk. Liquidity risk is monitored through cash flow forecasts and analysis.

Note that within these financial statements, the carrying amounts of assets and liabilities are not materially different from their expected fair values.

(l) Receivables

Trade and other receivables are recorded at amounts due less any allowance for expected credit loss.

At 31 July, the ageing analysis of receivables is as follows:

Year	Total	0-30 Days	31-60 Days	61-90 Days	91+ Days
2023	173,151	147,819	-	552	24,780
2022	247,300	242,416	4,913	100	128

(m) Payables

These amounts represent liabilities for goods and services provided to the incorporated association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Trade payables at 31st July 2023 total \$533,510.

WESTERN AUSTRALIAN TROTTING ASSOCIATION TRADING AS
GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

(n) Borrowings

Loans and borrowings are initially recognised at the fair value of the consideration received, net of transaction costs. They are subsequently measured at amortised cost.

(o) Other Taxes

Revenues, expenses and assets are recognised net of GST except:

Where the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and

Receivables and payables are stated with the amount of GST included.

The net GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the Statement of Cash Flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority are classified as operating cash flows.

Commitments and contingencies are disclosed net of GST recoverable from, or payable to, the taxation authority.

(p) Redevelopment Costs

Costs relating to planning or engineering for the possible future development of Gloucester Park are capitalised as Redevelopment Asset.

WESTERN AUSTRALIAN TROTTING ASSOCIATION TRADING AS
GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

(q) RWWA Distributions

The accounting treatment of RWWA distributions, stakes and subsidies has remained the same whereby these distributions and corresponding stakes and subsidies are entered in the one account rather than recognising them separately as a revenue and an expense.

3 CONTINGENCIES

At 31st July 2023, Gloucester Park Harness Racing has contingent liabilities arising from guarantees given in support of the following commitments:-

(a) Trotsynd Pty Ltd

Gloucester Park Harness Racing has given a guarantee and indemnity to the Commonwealth Bank of Australia Ltd against the Trotsynd Pty Ltd performance bond of \$10,000.

4 SECURED LIABILITIES

The bank bill and overdraft facilities are secured by registered mortgages over the Gloucester Park Complex.

5 BANK FACILITIES - ST GEORGE BANK LIMITED

Under the terms of this borrowing Gloucester Park Harness Racing has an optional overdraft facility of \$200,000.

At 31 July 2023, these facilities are not being utilised and there are no other borrowings.

16 OPERATIONAL SEGMENT INFORMATION

Gloucester Park Harness Racing operates predominantly in one industry and one geographical segment being the harness racing industry in Western Australia.

Gloucester Park Harness Racing's largest source of operational income for the year is from RWWA at 48% (2022: 53%).

17 MEETINGS

There were 52 prime and 47 mid-week meetings conducted during the year ended 31 July 2023.

18 RELATED PARTY INFORMATION

Gloucester Park Harness Racing has business dealings with Slater Gartrell Sports in which committeeman, Mr R Gartrell, has an interest. All transactions between the parties are conducted under normal business conditions at commercial market rates. Sponsorship received during his tenure as committeeman, from Slater Gartrell amounted to \$39,500.

Committee members who held office during the year are listed below:

President
Mr J Burt

Senior Vice President
Mr K Jeavons

Vice President
Mr G Monaco

Committee
Mr W Delaney
Mr R Gartrell
Ms L Hando
Mr A Parker
Mr J Schaper
Mr G Scott

Committee members do not receive any remuneration.

WESTERN AUSTRALIAN TROTTING ASSOCIATION TRADING AS
GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

19 FINANCIAL INSTRUMENTS

(a) SIGNIFICANT ACCOUNTING POLICIES

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which revenues and expenses are recognised, in respect of each class of financial asset, financial liability and equity instruments are disclosed in Note 2 to the accounts.

(b) CREDIT RISK

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to Gloucester Park Harness Racing. Gloucester Park Harness Racing has adopted the policy of only dealing with creditworthy counterparties and obtaining significant collateral or other security where appropriate, as means of mitigating the risk of financial loss from defaults. Gloucester Park Harness Racing measures credit risk on a fair value basis. Gloucester Park Harness Racing does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

The carrying amount of financial assets recorded in the financial statements, net of any provisions for losses, represents Gloucester Park Harness Racing's maximum exposure to credit risk without taking account of the value of any collateral or other security obtained.

(c) NET FAIR VALUE

The carrying value of financial assets and financial liabilities recorded in the financial statements represents their fair values, determined in accordance with the accounting policies disclosed in Note 2 to the accounts.

(d) INTEREST RATE RISK

The interest rates earned / account balances at the end of the period:	2023	2022
	\$	\$
Cash at bank - variable rate 0.01% - 1.5%	1,741,584	1,915,222
Term deposits - variable rate 0.50% - 1.0%	14,247	14,176
	<u>1,755,831</u>	<u>1,929,398</u>

There are no other financial assets or liabilities that are exposed to interest rate risk as they are not interest bearing.

WESTERN AUSTRALIAN TROTTING ASSOCIATION TRADING AS
GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

(e) LIQUIDITY RISK

Vigilant liquidity risk management requires the incorporated association to maintain sufficient liquid assets (mainly cash and cash equivalents) to be able to pay debts as and when they become due and payable.

The incorporated association manages liquidity risk by maintaining adequate cash reserves by continuously monitoring actual and forecast cash flows and matching the maturity profiles of financial assets and liabilities.

Remaining contractual maturities

The following tables detail the incorporated association's remaining contractual maturity for its financial instrument liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the financial liabilities are required to be paid. The tables include both interest and principal cash flows disclosed as remaining contractual maturities and therefore these totals may differ from their carrying amount in the statement of financial position.

	1 Year or Less	Between 1 and 2 Years	Between 2 and 5 Years	Over 5 Years	Remaining Contractual Maturities
2023					
Non-Derivatives					
Non-Interest Bearing					
Trade and Other Payables	850,482	-	-	-	850,482
Interest Bearing					
Borrowings	-	-	-	-	-
Total Non-Derivatives	850,482	-	-	-	850,482

	1 Year or Less	Between 1 and 2 Years	Between 2 and 5 Years	Over 5 Years	Remaining Contractual Maturities
2022					
Non-Derivatives					
Non-Interest Bearing					
Trade and Other Payables	829,162	-	-	-	829,162
Interest Bearing					
Borrowings	9,190	-	-	-	9,190
Total Non-Derivatives	838,352	-	-	-	838,352

The cash flows in the maturity analysis above are not expected to occur significantly earlier than contractually disclosed above.

WESTERN AUSTRALIAN TROTTING ASSOCIATION TRADING AS
GLOUCESTER PARK HARNESS RACING

Notes to and forming part of the Financial Statements for the year ended 31 July 2023

20 SUBSEQUENT EVENTS

The committee are not aware of any other matter or circumstance not otherwise dealt with in the financial report that has significantly or may significantly affect the operations of Gloucester Park Harness Racing, the results of those operations or the state of affairs of Gloucester Park Harness Racing in subsequent financial years.

21 AUDITORS REMUNERATION

	2023	2022
	\$	\$
Amounts received or due and receivable by William Buck for:		
An audit or review of the financial report of Gloucester Park Harness Racing	15,000	14,500
	15,000	14,000

22 REDEVELOPMENT ASSET

Redevelopment refers to geotechnical, heritage, environmental and planning reports completed from 2006 to present in relation to the anticipated redevelopment of Gloucester Park.

23 DEFINITION OF RACING AND WAGERING WA (RWVA)

RWVA was formed under the Racing & Wagering WA Act 2003 and assumed the controlling body functions over Western Australia's three racing codes in addition to the WA off course totalisator gambling functions.

STATEMENT BY PRESIDENT AND CHIEF EXECUTIVE OFFICER

We, John Patrick Burt and Michael Terence Radley, being President and Chief Executive Officer respectively, of Gloucester Park Harness Racing, hereby state that;

(a) the accompanying statement of financial position, statement of accumulated surplus, statement of changes in equity, statement of comprehensive income and statement of cash flows have been properly drawn up so as to give a true and fair view of affairs of Gloucester Park Harness Racing at 31st July 2023, and of the results for the year ended on that date;

(b) at the date of this statement there are reasonable grounds to believe that Gloucester Park Harness Racing will be able to pay its debts as and when they fall due; and

(c) the accompanying statements have been made out in accordance with applicable accounting standards and other mandatory reporting requirements.

For and on behalf of the Committee

J.P. Burt, President

M.T. Radley, Chief Executive Officer

Auditors Report

Western Australian Trotting Association

Independent auditor's report to members

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial report of the Western Australian Trotting Association ("the Association"), which comprises the statement of financial position as at 31 July 2023, the statement of comprehensive income, the statement of accumulated surplus, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by president and chief executive officer.

In our opinion the financial report of the Western Australian Trotting Association has been prepared in accordance with the *Western Australian Trotting Association Act 1946*, including:

- giving a true and fair view of the Association's financial position as at 31 July 2023 and of its financial performance for the year then ended; and
- complying with Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Committee are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 31 July 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee and Those Charged with Governance for the Financial Report

The Committee of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Western Australian Trotting Association Act 1946 and for such internal control as the Committee determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The Committee are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of these financial statements is located at the Auditing and Assurance Standards Board website at:
https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our independent auditor's report.
